How It Works for Email Recipients

If you currently receive your correspondence by email, you will notice meeting notices coming from: noreply@stratavote.com

Your email will include:

- A link to a PDF version of the meeting notice
- A link to an online voting form

If you choose to vote online, it's quick and easy:

1. Click the online voting link
2. Select your voting preferences
3. Press Submit
4. Receive an email confirmation with the details of your vote and confirmation that it has been successfully lodged

No more printing, signing, scanning, or emailing paper voting forms!

How It Works for Postal Recipients

If you receive meeting notices by post, your documents will include a QR code on the front page.

Simply:

1. Scan the QR code with your smartphone
2. Access your online voting form
3. Submit your vote in the same easy way as email recipients

Important – Security of Voting Links

Each voting link and QR code is unique to:

- Your Lot
- That specific property
- That particular meeting

To ensure the integrity of the process and accurate recording of all votes, please do not share your voting link or QR code with anyone else.

Your Meeting, Your Way

We hope you enjoy the convenience of online pre-meeting voting. Please note however that an online and/or in person meeting attendance option will remain available for those who prefer it.

This is just one of the many ways we are making strata management easier, more flexible, and more accessible for our clients.

For questions or assistance with online voting, please contact our office.
